

SIGNIFICANT PEOPLE & ANTARCTIC EXPLORATION

A selection of books and artefacts on theme of Antarctica and polar exploration.

- Books pertaining to the Antarctic and the famous expeditions of the early 20thC.
- Artefacts relating to Scott and Shackleton: ropes, mess tin, replica Terra Nova expedition enamelware, map, hurricane lamp, first aid bag, man's jacket, sheepskin gloves.
- Model ship and ship's wheel (we have lots of nautical artefacts)
- 1910s camera and copies of natural history watercolour paintings from Scott's expedition.
- Pemmican: a special dried meat favoured by Arctic and Antarctic explorers and eaten by humans and dogs. It reputedly tastes absolutely vile - not to be removed from the packet!
- Soft toy penguins and huskies
- Animal pelt.
